#### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Newberry High School completed year two of the transformation process that began when we received the School Improvement Grant. We added an advisor/advisee period (DOG Time) each day for students in grades 10-12 and continued our Freshman Focus period for students in grade 9. During this period students were offered academic assistance, character development and sustained silent reading time. We continued our work with the Leadership and Learn Center. We were introduced to data teams that were centered around teachers of common subjects. This new structure allowed teachers to plan and write common assessments. We also continued our work with instructional power strategies and the five steps to balancing our math instruction. Our Instructional Technology Coach introduced us to "In & 10" Technology Sessions to help increase the integration of technology into the classroom. Teachers were also given the opportunity to attend professional development in our district that related to both instructional strategies and classroom technology

NHS had another successful year with academics, arts, athletics, and community activities. The 2013 graduating class increased to 54% qualifying for LIFE scholarships at a two- or four- year institution. The Junior Beta Club had four students qualify for the national competition. The NHS Blue Brigade competed for a state title. A 10th grade student won the top honor in the SC Palmetto's Pride "Litter Trashes Everyone" art contest. We had three participants in the Shrine Bowl. A teacher served as one of the coaches and two senior football players competed in the game. We had students to represent NHS in the following North/South All Star Games: baseball, basketball, football, volleyball, and wrestling. We had two students to win state wrestling titles. We clinched the AA Upper State Boys Basketball title with three players being recognized as either all-region or all-state. Our students continued their work with Relay for Life, Pennies for Patients, Pink Out for Cancer Awareness, Red Cross, and Santa's for Seniors.

We are proud of the efforts of our students, faculty/staff, and our parents. We will continue to work together to pursue the standards of excellence at NHS! Sheila Lindsay, SIC Chairperson, Katrina L. Singletary, Principal
